-

They are actively engaged in their internship roles and are working on two LIVE projects remotely. Despite the work-from-home mode, they have shown remarkable dedication and enthusiasm towards their assigned tasks. We would like to acknowledge their continued active participation and commendable performance during their ongoing internship tenure. We are confident that they will continue to contribute positively to our organization and gain valuable experience throughout the remaining duration of the internship.

Please feel free to contact us for any further information or verification regarding the internship program.

Sincerely,

Vishnu V Kumar
[Director of Technology]
